

WE ARE PARENTS AND GRANDPARENTS.

DEAR FELLOW PARENTS & GRANDPARENTS:

Our greatest desire is that the generation entrusted to us know and live for Jesus Christ in the fullness of our Catholic Faith.

We need you.

This movement began nearly twenty years ago. We were leading annual events for couples about to be married. Too many were going with the flow without asking where it was leading. Without the sacraments, a prayer life and supportive community, most were relying upon their own energies. Communication and intimacy were already fraying at the seams.

Are we not seeing the consequences today?

The success of Catholic marriage and family is critical, as "family is the cornerstone of civilization." (Pope St. John Paul II) Year after year, as we continued to respond, we experienced God alive in real stories of transformation. Individual souls, marriages and families who encountered their nature in Jesus Christ.

We developed a vision, plan, tools and support to unite in the journey. The story has been told in national Catholic newspapers, radio and television.

Since we began fulltime eight years ago, our media has reached over a million. Our events have been participated by over 40,000. Currently hundreds participate in using our weekly Live IT gathering guide in their homes. So many have reported powerful transformations.

Here's the thing: Our resources are 100% free. And 100% board-accountable. There's no compensable business model. Our "currency" is faith in God through the Holy Spirit stirring hearts of good people like you to partner with us.

And given the condition of our world, particularly in recent years as marriages and families are in greater need than ever, we are prayerfully and passionately driven to go so much deeper and further.

So we appeal to you. Would you please click the "partner" button below to find out more? Small or large, we are grateful for whatever gift you might offer. Our prayer is for 50 more souls to become monthly mission partners at any level. This movement is so blessed by many who contribute anywhere from \$5, \$10 and \$25/month to a few who give \$100, \$250, \$500 or \$1000/month.

With so many more to reach, during this Advent Season, right now we

invite you to please join us. Again, please click on "partner" below.

So blessed to be united with you in building the Kingdom,

**Greg and Stephanie
Schlueter**
