

# WE ARE PARENTS & GRANDPARENTS.

OUR GREATEST DESIRE IS THAT THEY KNOW, LOVE & LIVE FOR JESUS.

Greetings in Christ Fellow Catholic Parents & Grandparents,

We share with you a great desire that generations entrusted to us know and live for Jesus Christ so much that they desire the same for the generations entrusted to them. We need you.

This movement began over twenty years ago. We were leading annual events for couples about to be married. Without the sacraments, a prayer life and supportive community, most were relying upon their own energies. Communication and intimacy were already fraying at the seams. Accordingly, marriages continue to plummet.

The success of Catholic marriage and family is critical. Family is the "cornerstone of civilization." (Pope St. John Paul II) We developed a vision, plan, tools and support to unite in the journey. The story has been told in national Catholic newspapers, radio and television.

Since we began fulltime ten years ago, our media has reached over a million. Our events have been participated by over 40,000. Currently hundreds participate in using our weekly Live IT gathering guide in their homes. So many have reported powerful transformations.

Our resources are mostly free. Our "currency" is hope that those who have been blessed will join us in becoming blessers. We are prayerfully and passionately driven to go so much deeper and further.

So we appeal to you. Small or large, we are grateful for whatever gift you might offer. Our prayer is for 50 more souls to become monthly mission partners at any level. This movement is so blessed by many who contribute anywhere from \$5, \$10 and \$25/month to a few who give \$100, \$250, \$500 or \$1000/month.
